

ANIMAL CLUB 2021-2022

If you are interested in joining the Animal Club, return the permission slip by October 12, 2021. You do not have to own a pet to join.

The club will meet on the second Wednesday of every month from 3:00 - 3:40 pm in the cafeteria. The first meeting will be on Wednesday October 13, 2021. The Google Class Code is: **p3a2jxg**

Our first Community Based Project this year is in support of the local animal shelters & feral colony administrators. With the climate of the economy, impact of Covid-19, and devastation of recent local flooding events, we will be collecting and distributing cans of cat food.

If you can make a donation toward the collection, please bring in **one 4-pack of 9-Lives Canned Cat Food** which can be found at Shop-Rite or pet stores such as PetCo or PetSmart.

Any student who chooses to violate our school rules, codes, or policies, will be prohibited from participating in the club.
