

October 23, 2020

Dear Parents/Guardians:

Hope this letter finds you and your loved ones well.

It has come to our attention that some of our families have planned trips and will be visiting relatives throughout upcoming months. Although we look forward to spending time with family and friends, we must continue to be mindful and diligent in implementing safe practices in order to stay healthy during these uncertain times.

In light of the COVID-19 crisis, all school districts are required to follow the guidance and mandates set forth by the New Jersey Department of Health, Governor Murphy, and the New Jersey Department of Education. Any student travelling to one of the states on the Governor's quarantine list or to another country with high or moderate COVID-19 must quarantine for 14 days. The quarantine starts on the day the traveler reenters to the state of New Jersey.

If you know ahead of time, please be forthcoming and share your trip dates and destinations with the school so your child's education can continue virtually during the quarantine timeframe.

Please visit the NJDOH COVID-19 -Travel Restrictions for travel information from NJ to another state at <https://covid19.nj.gov/faqs/nj-information/travel> .

Please visit the [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus/2019-ncov/travelers/map-and-travel-notice.html) for travel information from NJ to another country at <https://www.cdc.gov/coronavirus/2019-ncov/travelers/map-and-travel-notice.html> .

In addition, please be reminded that Nov. 3rd is a virtual learning day for **ALL** students PreK-8. Please mark your calendar and be prepared for your child to learn from home on this day.

As always, please do not hesitate to contact me with any questions. Stay safe and stay well.

Your Partner in Education,

Michele R. Pillari, Ed.D.
