# Woodland Park 2020-2021 Educational Plan

## Woodland Park Mission

*“To promote educational experiences which will prepare our students to develop high levels of academic achievement, engage in a lifelong desire to learn and develop a deep respect for life and its diversity in our global society”*

*Under current conditions, Woodland Park maintains promoting high level of academic achievement and engagement for all students regardless of the type of instruction in place based on current recommendations. The information provided in this document comes with careful consideration and preparation in accordance with guidance released. At the forefront of every decision is the safety and well-being of staff and students.*

The Woodland Park School District intends to provide equitable in person instruction for all students. We recognize that our school district must be ready to pivot back to remote instruction at any point during the course of the school year. The plan below outlines our recommendations, expectations and schedules for remote learning in Woodland Park.

## Overview:

Remote Learning is when the learner and instructor are separated by time and distance and therefore cannot meet in a traditional classroom setting. Remote learning can occur synchronously or asynchronously.

In-Person Single Session- Modified Schedule is when the learner and instructor come together in a traditional in-class learning environment with a modified schedule with some remote instruction for special area content.

Traditional represents a return to the school campus and the classroom where students will interact directly with their teachers and classmates.

## General Schedule:

Remote Learning	In Person Single Sessions	Traditional
Teacher hours: Follow contractual school start-end times  Student hours:  School 1: o PreSchool 3 year olds - 8:25am-2:25pm o PreSchool 4 year olds - 8:40am-2:40pm  BG and Memorial - 8:45am- 2:45pm	Follow modified school schedule with start and end times  Single Session Day  Monday - Friday	Follows Regular Bell Schedule with full student capacity, lunch served in school, full days.  This would occur only if the CDC says it is ok to return to a traditional school setting.

## Facilities, Grounds, and Transportation

### Busing

- There will be no courtesy busing.
- Social distancing will be maintained for those students who must ride the bus by staggering students and skipping rows. Siblings can sit together to increase capacity on the buses. Physical barriers and face coverings will also increase capacity.
- Assigned seating on buses will be provided to ensure social distancing.
- Bus monitors will supervise seating assignments and to ensure safety and social distancing.

# Woodland Park 2020-2021 Educational Plan

- Acquire bus companies policy and procedures for cleaning of buses in between routes, bus seats and doors.
- Secure number of buses needed to stagger students on the bus via every other seat.

## Before and Aftercare

- Continue to provide before and aftercare through Clifton Boys and Girls Club.
- Identify multiple locations in each school to accommodate small groups of students attending before/after care (gym, media center, classrooms).
- Ensure Boys and Girls Club have enough staff to supervise the number of areas being utilized.
- Obtain and review copy of Boys and Girls Club sanitation and social distancing procedures.

## Lunch Program

- Grab and Go breakfasts and lunches will be served daily to be consumed at home.
- Lunches will be delivered to classrooms using large insulated lunch bags.
- Students will remain in seats while lunch aides pass out lunches to limit movement in the classroom.
- Students will be provided hand sanitizer to clean hands before and after lunch.
- Bathroom schedules will be developed in each school for students to use the bathroom and wash hands before/after lunch.

## Daily Operations

- Visitors will be limited to essential visits. Protocols for daily entrance, hand disinfecting, and use of face coverings will be posted in main entrance areas.
- Each building will have 3 entrance/exit areas identified for arrival and dismissal with designated staff at each entrance.
- Markings will be placed outside at entrances of buildings and in hallways to ensure social distancing 6ft. apart.
- Handsanitizer will be located at entrances of each school for all entering the school.
- There will be one way movement in hallways when needed. Teachers will remain with students throughout the day.
- Students must wear masks while in school.
- Safe bathroom procedures/reminders will be posted in bathrooms, i.e. hand washing guidance, bathroom monitors, etc.
- Safety plans will be updated to reflect social distancing during fire drills /safety drills with markings for students outside as well as inside.
- All specials will be remote.
- Recess will be in the form of teachers taking students outside at a scheduled time for movement activities while social distancing.
- Faculty room seating will be 6ft apart. Additional lunch space for teachers will be identified in each building to eliminate overcrowding in common eating areas for staff.

## Buildings and Grounds/ Physical Learning Spaces

- Clear cleaning protocols and schedules developed to address the daily cleaning of chairs, tables, desks, door knobs, light switches, phones, tech devices, faculty room, and materials and supplies.
- Checklist/sign off for cleaning/sanitizing bathrooms, classrooms, and common areas daily.

# Woodland Park 2020-2021 Educational Plan

- Identify a holding area in each school for students who show symptoms of being sick. This will be a separate area from the nurses office.
- Classroom setting will have social distancing, 6ft. apart and/or physical barriers in place.
- Water fountains closed. Students will only be allowed to use filling stations.
- All univents will be cleaned and the filters changed in all schools.
- Windows may remain open to circulate air in classrooms and offices.
- Gloves and wipes will be provided at all copy machines.
- Playground equipment will be closed.

## PPE

- Students and staff will be provided with face coverings daily.
- First aid kits will be available in all classrooms.
- Plastic shields will be secured on desks and tables as well as plastic barriers in the main office.
- All classroom and common areas will be equipped with spray bottles containing approved cleaning solutions, hand sanitizer with 60% alcohol or higher, paper towels, tissues, and non touch garbage cans.
- Custodial staff, lunch staff, and school nurses will be provided and wear protective gowns, gloves, and face coverings while interacting with students or cleaning up after students.

## Health and Wellness

### General Overview Items

- Symptom screening must be completed upon entry. This includes staff and parents to complete a digital screening checklist indicating that the child does not have:
  1. fever of 100.0 or greater
  2. cough
  3. shortness of breath or difficulty breathing
  4. chills or shaking
  5. muscle pain or headache
  6. sore throat
  7. new loss of smell or taste
  8. fatigue
  9. congestion or runny nose
  10. nausea or vomiting
  11. diarrhea

environment to allow for social distancing in each learning space.

- Desks will face the SMART board in one direction. Book carts will be utilized for book selection and placed in the hallway. Individual book bins will house their instructional materials.
- ESL teachers will continue to collaborate with content area teachers and modify. They will create groups and schedule “Meets” daily.
- Self-Contained Special Education Classes and BSI teachers will create groups and “meet” with students daily.
- Inclusion teachers will collaborate with general education teachers, offer modifications and co-teach in live streaming or pre-recorded lessons.
- Special area teachers will be partnered with a homeroom teacher for coverage purposes and to provide students with stretch breaks and a short recess.

## **Instructional Expectations:**

- Teachers of students in grades Prek - 2nd will assign student work via Teacher Pages or email.
  - There will be a transition period where K-2 will be utilizing Google Classroom to be in sync with the rest of the district.
- Teachers of students in grades 3-8 will assign student work via Google Classroom.
- Delivery of instruction will be implemented in two ways:
  - Two-way communication and interaction via video, live conferencing, etc.
  - One-way communication via feedback provided by the teacher after student work is completed.
- Teachers are responsible for scheduling live “Meet” sessions with whole class, small group and individual students
  - Clear expectations for daily live “Meets” will be in place and addressed by the building principals and staff so that live streaming is available to students in remote settings.
- Utilize differentiated instruction, assessment, and tools to meet the diverse learning styles of the students.
- All lessons will be uploaded into Google Classroom.
- IEPs and 504s will be used to modify all instruction and assignments to meet the diverse needs of the students in each classroom. These assignments will be posted prior to the start of the lesson.
- Assigned activities/tasks will be aligned to standards, curriculum, and relevant to current and prior instructional learning goals.
- Assignments/work will be created that allows students to practice and develop skills for understanding of new material.
- Assignments will not exceed the typical class period during a minimum day unless specified as a long term task that can be completed throughout the week.
- Tasks will be completed online.
- Work that is required for submission will be graded.
- Teachers and co-teachers will provide guidance and feedback to students regarding completed work.
- Teachers and co-teachers will communicate with parents if students are not completing assignments.

# Woodland Park 2020-2021 Educational Plan

- Assessments/grades will assess student mastery and be tracked through Google Classroom and other online forms as necessary and appropriate.
- Teachers will continue to update GradeBook accordingly on RealTime as appropriate. (Look into linking the two on Realtime)
- Any issues/concerns regarding a students' completion of activities, tasks, and/or projects will be communicated to building principal.

## **Transition from Remote to In Person Request/ Procedure**

- Parents will have the opportunity to switch from remote learning to in person learning at the end of each marking period.
- A formal written request must be submitted to the building principal by the designated due date

## **General Points for In-Person or Virtual Learning**

- Set “Meet” schedules for daily meetings and “live” teaching for in-person learning and virtual learning.
- The curriculum and pacing will remain the same.
- All special area classes will occur in a remote setting unless otherwise noted in the schedule
- Library - Book selection will be brought to the classroom. Books will be pulled by the media specialist with input from the classroom teacher.
- Physical Education - students will record activities and send to teachers to track participation/ or live participation meeting can occur

## **Special Education Program and Related Services**

- Special Education Teachers and therapists (speech, OT, PT, counseling) will create activities that reflect individual student needs.
- Special Education Teachers of students in grades Prek - 2nd will assign student work via Teacher Pages.
- Special Education Teachers in grades 3-8 assigned as a co-teacher for In-Class Support will modify and assign student work as a co-teacher in the google classroom.
- Special Education Teachers in grades 3-8 assigned as a pull-out resource room or self-contained teacher will assign student work via their own google classroom.
- Special Education Teachers will contact families twice a week, or more frequently, to discuss instruction and outcomes and record the details of the discussion (use Contact Log).
- IEP mandated Aides (1:1, shared, classroom) will be assigned to the appropriate virtual classroom and assist the student(s) as determined by the teacher (i.e. links in assigned activities that allow for personalized support).
- Related service providers will deliver IEP mandated services via teletherapy/virtual sessions.
- Related Service Plans will include as appropriate, but not be limited to, activities and schedules to address the students' current IEP goals and objectives.
- Activities should be planned that can be supported by material typically found in a home or by school provided materials such as consumables/copies (worksheets etc.), file folders, task analysis, links to online programs accessible outside of school, apps, etc.
- Special Education Teachers will contact families daily to discuss instruction and outcomes and record the details of the discussion (use Contact Log).

# Woodland Park 2020-2021 Educational Plan

- Therapists will contact family at a frequency commensurate with the child's session frequency and record the details of the discussions (use Contact Log).
- Notes will be maintained in the teacher or therapist Contact Log, which will be created and updated in Google Drive; these Contact Logs are accessible to administrators for review.

## Behavioral Supports

- Behavior specialists will ensure that current home behavior plans are updated as needed.
- Behavior specialists will contact each family minimally once a week.
- Behavior specialists will complete a Contact Log for each contact.

## IEP Meetings, Evaluations, CST, ESY, and Assessment of Learning Loss

- **Meetings:**

All Initial Planning Meetings, Annual Reviews, Re-evaluation Planning meetings, and Eligibility/IEP meetings will be held by conference call between staff and parents.

If there is a need to schedule CST meetings for any other reason, please contact the Director of Special Services ([sconfrancisco@wpschools.org](mailto:sconfrancisco@wpschools.org)), who will coordinate a conference call.

- **Evaluations:**

Evaluations that do not require face-to-face contact (functional assessment, checklists, questionnaires, therapist and teacher progress reports, work samples) will be conducted within the mandated timelines.

Evaluations that require face-to-face contact are being addressed on a case by case basis with the parent as part of the IEP team.

If eligibility requirements can be met with assessments completed, the team will proceed with the eligibility and IEP meetings within the mandated timelines. Other assessments in the evaluation plan will be completed as soon as possible, once permitted, and the services in the IEP amended, if necessary.

If eligibility requirements cannot be met with assessments completed, the evaluations in the plan that require contact will be completed as soon as possible, once permitted.

- **CST:**

Case managers meet weekly with related service providers at department meetings and teachers at grade level meetings; these meetings ensure services, accommodations, modifications and instruction are implemented in accordance with IEPs to the greatest extent possible.

- **ESY:**

Extended school year services can and will be provided; virtually if contact is not permitted or in person. If virtual, ESY will be provided through the same Alternative Learning Program Plan as the traditional school year. The Extended School Year calendar and hours of instruction per day will remain as stated in the student's IEP, regardless of the format.

The ESY calendar, schedule and hours will not be impacted by the mode of delivery.

- **Assessment of Learning Loss for Students with Disabilities:**

In an effort to be proactive, discussions regarding learning loss are on-going between case

managers, teachers, related service providers and parents. Related service providers (OT, PT, Speech, Counseling) and ABA teachers are noting any regression or lack of progress in their weekly progress notes. Therapists are providing parent training and lesson/therapy plans that can be used in the home environment to reinforce skills. Compensatory services will be discussed and addressed at IEP meetings within 30 school days of reopening.

## ELL Support

- ESL Teachers will provide specific modifications to the grade level/content
- All teachers will utilize Google Translate to assist with the translation of materials and instruction.
- Bilingual staff members will also be utilized to translate on phone conferences as well as on virtual meetings as needed.
- ESL teachers are providing synchronous learning opportunities in order to differentiate instructions and troubleshoot challenges for ELL students.

## CST and IEP Meetings

All Annual Reviews, Re-evaluation Planning meetings, and Eligibility/IEP meetings will be held as scheduled by conference call between staff and parents. If there is a need to schedule CST meetings for any other reason, please contact the Director of Special Services ([sconfrancisco@wpschools.org](mailto:sconfrancisco@wpschools.org)), who will coordinate a conference call.

## Secretaries

- Check in with supervising administrator each day.

## Nurses

- Communicate with families as needed as it pertains to illness concerns.
- Communicate with the building principal regarding student and/or staff medical issues.
- Enhance webpage with various resources parents can use at home.

## School Counselors

- Check in with parents of students that are in a counseling program and determine the best way to support these students.
- Provide parents with information on how to talk to their child(ren) regarding the school shut down.
- Enhance webpage with mental health instructional resources.
- Maintain weekly individual counseling schedule via teletherapy/virtual meetings.
- Establish office hours for staff, students and/or parents to communicate with them
- 

## Communication:

- Modes of communication include: Google Meet, Google Classroom, email, classroom, phone call, and/or Realtime
- Provide clear ongoing communication as it pertains to:
- Content-related information; check student progress and understanding.
- Planning of tasks, ie. due dates, progress markers for projects, organization tips/tools, working with others, etc.
- Social support, ie. provide opportunities for peer interaction, phone calls, live conferencing, positive messages, interactive games, etc.
- Maintain ongoing communication with students, parents, colleagues, and administration.

# Woodland Park 2020-2021 Educational Plan

- Daily interaction with students either through assignment posts (chats), messaging, small/large group meetings, email, or phone call.
- Please remember phone calls, meetings, and laptop screens should be considered confidential to protect sensitive information being shared.

## Learning Management Platforms: Realtime and Google Classroom

- **Instruction:**Combination of synchronous and asynchronous is best - the proportion will vary depending on the course, the learning target, and the students.
  - Synchronous: teacher offers a lesson to the class at the same time.
  - Asynchronous: students are provided with the tools to complete the assignment(s) on their own time; seek out teacher for assistance as needed.
- The duration of the live meetings will vary and be dependent on the age group and the content that is being taught.
- Live meetings can be conducted in small groups rather than the whole class.
- Provide relevant and meaningful tasks that align to the learning target for the given content area.
- Consider presenting content in multiple ways, ie. virtual field trip, recorded lesson, video clip, discussion board, interactive docs, padlet, etc.
- Include formative assessment and feedback. Examples of feedback include commenting on student work, participating in discussion posts or blog chats, and graded assignments.
- If students are working on a long term project, teachers will give guidance on the timeline and expectations in small group settings to monitor progress and provide feedback.
- Check in with students/parents regarding the amount of time they are spending on remote assignments. Make adjustments accordingly to reduce/increase how much students are expected to complete based on students' social, emotional and/or academic needs.
- Provide students with accommodations/modifications as stated in their IEP/504 when applicable.
- When not engaged in synchronous instruction, communicate your office hours to students/parents and be available to answer questions, etc.
- If support staff works with your students, ie. paraprofessional, In-Class Resource Support, Guided Study, Speech, etc., notify them of “live” sessions to avoid conflicts as well as to invite them to join if applicable.
