

## Birthday Celebrations

Dear Parents/Guardians,

Charles Olbon School welcomes the opportunity to acknowledge birthdays and to share these happy events with our students. If you wish to send in a class treat, you are invited to do so. All edible treats must be commercially packaged with clear and visible ingredient labels. Items with peanuts or peanut products will not be allowed as we are moving toward a nut free school environment. Because there are so many children with allergies and special dietary needs, we recommend sending in a small non-edible item in lieu of food treats. These may include stickers, pencils, small notepads or erasers. Items will be limited to one small item per child. **No goody bags will be allowed.**

Thank you in advance for joining us in giving students healthy, safe opportunities to celebrate important events.

Sincerely,  
Mrs. Giovanna Irizarry  
Principal
