

HOMEWORK CONTRACT

I understand that...

- * There will be homework on a regular basis.
- * Homework will always be listed in the same place on the whiteboard and I must copy it into my agenda.
- * If I do not complete my homework by the due date, I will have to write an entry in the "No Homework Binder." I will be expected to complete the homework assignment, even if I do not turn it in on time.
- * Homework is helping me learn responsibility, as well as giving me an opportunity to practice skills that I have learned in class.
