

The Woodland Park School District e-Newsletter is sent out weekly when school is in session. It serves as a glimpse of some of the wonderful things going on in our schools, as well as a point of reference for upcoming events.

Your Partner in Education,
Michele R. Pillari, Ed.D., Superintendent of Schools

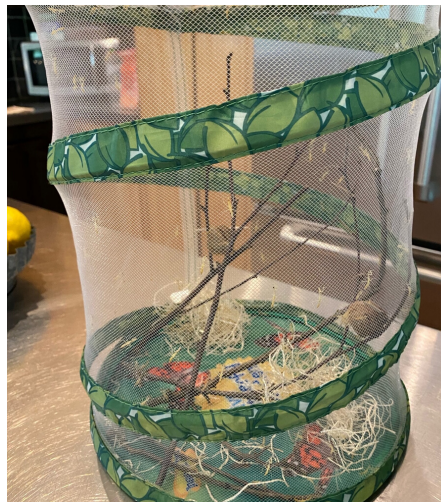

Saluting Our Veterans This Memorial Day

Students in Mrs. Woessner's K/1 class at Charles Olbon School show off their themed show-and-tell - "Proud of the Red, White, and Blue!" Her students submitted pictures to show their pride for America and thank you to all those we remember this Memorial Day.

New Life

Mrs. Parker's class at Charles Olbon School hatched praying mantises as part of a recent science lesson. The praying mantis is an awesome, showy creature that can help to control insect pests.

Feeding Friends

Aviannah, a second grader in Ms. Morris' class at Charles Olbon School, created her own bird feeder with Corn Flakes and bird seeds. Great job!

Getting Ready

Taking Lessons Outside

Mrs. Mete's kindergarten class at Charles Olbon School worked on writing their sight words outside using sidewalk chalk.

Ms. Capo's third grade class at Beatrice Gilmore School started reading "Amber Brown Goes Fourth" to get ready for fourth grade. They do a daily read aloud and activities in their video chats. She wanted to carry on this end of the year activity digitally.

CANCELLED

Unfortunately, the Woodland Park Summer Camp will be cancelled for summer 2020. This decision was far from an easy one, and it ultimately came down to whether or not we felt we could keep our campers safe and healthy while providing them with our traditional camp experience they have come to know and love.

Unfortunately, the COVID-19 CDC guidelines and restrictions set in place to keep us all safe prevent us from operating the program our campers deserve - a fun, engaging, social, and interactive in-person experience. We share your disappointment since we know many of you, including all our counselors and staff members, were looking forward to our program this summer.
