

Welcome to the Woodland Park School District e-Newsletter, which is sent out weekly when school is in session. It serves as a glimpse of some of the wonderful things going on in our schools, as well as a point of reference for upcoming events.

Your Partner in Education,
Michele R. Pillari, Ed.D., Superintendent of Schools

Character Creations

Students in Ms. Morris' second grade class at Charles Olbon School took part in a book character pumpkin decorating contest. Students chose a book and decorated a pumpkin as one (or more) of the characters.

Important dates to note

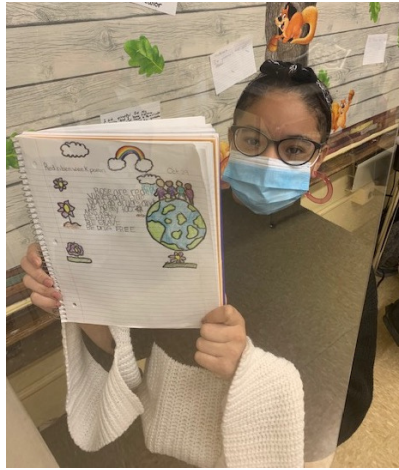

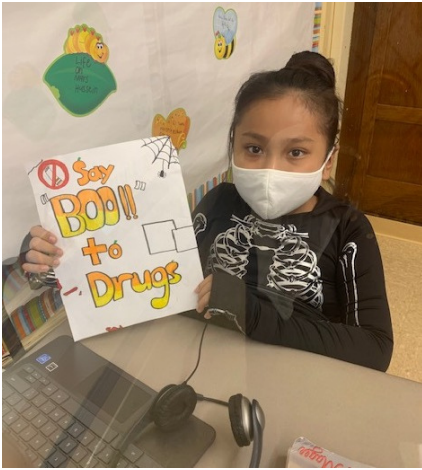

Thursday, Nov. 5 and
Friday, Nov. 6 - District
schools will be closed

Monday, Nov. 9, 7 p.m.
Board of Education
regular meeting at
Borough Hall.
Attendance is limited.
Social distancing and
face masks are
mandatory. The
meeting will be

Middle School
Home & School
Association meeting

Thursday, Nov. 12,
7 p.m. - School 1 and
Charles Olbon School
Home & School
Associations
virtual meeting

Monday, Nov. 16, 7 p.m.
Beatrice Gilmore Home
& School Association
virtual meeting

In It To Win It

As part of Red Ribbon Week, the WP Municipal Alliance Against Alcoholism & Drug Abuse sponsored a poster or poem contest.

Students were asked to submit either a poster or poem related to the theme: "Be Happy, Be Brave, Be Drug Free." Winners will be announced next week.

Pumpkin Decorating Contest Winners

The Beatrice Gilmore Home & School Association announces the winners of its pumpkin decorating contest: Vanessa Hacket - scariest; Maribel McQuin - most school spirit; and Ronald Solorzano - most creative. Winners were treated to a family pizza meal.

Exploring Effects of Air Resistance

Fourth grade students in Mrs. Voinov's class at Beatrice Gilmore School made helicopters to explore the force of gravity and effects of air resistance. Students took turns dropping their copters from a height of six feet. They investigated how the size, shape, and mass of the copter changed the flight. They also investigated how the shape of the blades made the copter spin when dropped. Students discovered that as gravity pulls the it down, air resistance pushes up on the blades. This slows the fall and causes the blades to spin.

Halloween Scenes

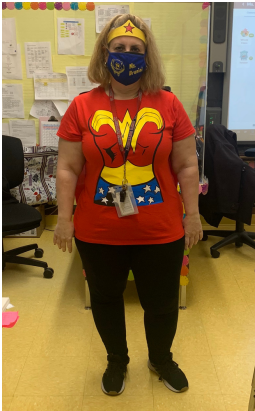

While Halloween wasn't able to be celebrated in school in the traditional way, students and staff still enjoyed the day by showing off their costumes - whether they were in school or virtual.

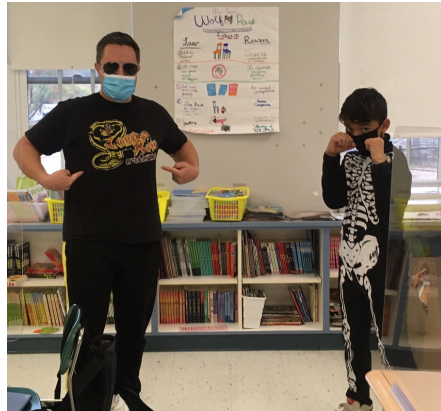

Charles Olbon School second grade teachers, from left, Ms. Jones, Ms. Morris, Mrs. Makhoulouf, and Ms. Hajbi.

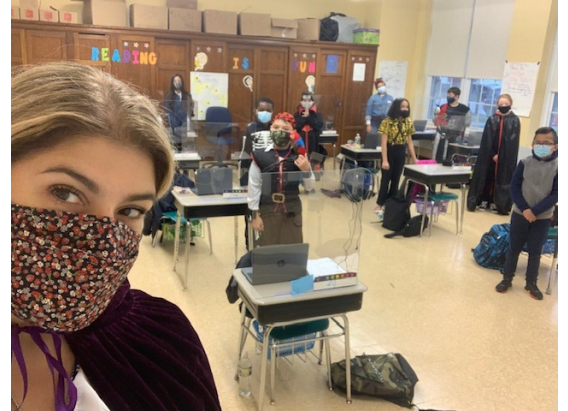

The staff at School 1 dressed up as Preschool Puppies to represent its mascot, Paws.
