

## ***LUNCH PROGRAM INFO***

JUST A REMINDER...if your household has not yet submitted a new lunch application for the 2020-2021 school year, you need to do so now! Eligibility & benefits from the previous year are no longer carried over as of October 1<sup>st</sup>...

Although we are providing free meals for all students right now, when the time comes that we get back to regular school hours & lunches are once again served in the cafeteria, it will be necessary for you to have an application on file. It will be better for you to complete the paperwork now than to forget to do it later!

You can access the online application or get a paper copy by going into the PARENT INFO tab at the top of the district website & clicking on the “Lunch Program” section. Additional information is also available there along with contact info for any questions that you might have.

Thank you for your cooperation...

***BE WELL & STAY SAFE!***
