

WELCOME BACK!

As a new school year begins, we're hoping everyone had a great summer! The cafeterias are ready for September & Pomptonian is back with lots of delicious and nutritious meals planned for our students!

NEW FOR 2018 – The cost for the student lunch meal is now \$2.90 – additional a la carte items were also affected by this price increase. For more information & a complete product listing by schools, please refer to the price lists that can be found by clicking on the “MENU” icon at the top right of the district website home page.

LOOKING FOR LUNCH INFO? All the information you need can be found in the **PARENT INFO** section of the district website (www.wpschools.org). You'll also be able to access this by clicking on the “quick link” for **LUNCH PROGRAM** located on the right hand side of the homepage. Monthly and weekly breakfast & lunch menus along with pricing and nutritional information are available for you to review. We suggest you check these menus regularly for any updates or popular promotions offered in the cafeteria. You'll also be able to access the “PayForIt.net” link & get additional information about the pre-pay options offered. Even parents who do not choose this meal payment option to fund their student's lunch account use “PayForIt.net” to see what their child is eating, view account balances & set up e-mail notifications so they are reminded when their student is running low on money!

NEED A LUNCH APPLICATION? Households have the convenience for completing a lunch application electronically by going to <https://woodlandpark.sdms2.com/>. Simply click on “New User Registration, create a password & follow the detailed instructions for entering household information & required income figures. (NOTE: You will need your student's ID # that is found on the assignment letter/schedule for this). Once you have completed all of the steps, you will immediately be informed if your child/children qualify for free or reduced meals, or if the application has been denied. This E-Format application link along with a handy user guide can also be found in the **PARENT INFO/LUNCH PROGRAM** area. If you do not have access to a computer or prefer to complete a paper application, copies can be downloaded from here - you can also get a copy from the main office of the school your child attends. Remember, only one (1) application listing all district students is needed for each household!

Please be reminded that if your child was eligible for meal benefits as of June 30, 2018 he/she will still receive benefits until September 30, 2018. To continue to receive benefits as of October 1st, a new application must be completed.

IF YOUR CHILD HAS A NEGATIVE BALANCE ON THEIR LUNCH ACCOUNT FROM THE END OF THE 2017-2018 SCHOOL YEAR, WE ASK THAT YOU SUBMIT PAYMENT AS SOON AS POSSIBLE FOR MONIES OWED ALONG WITH ADDITIONAL FUNDS TO COVER ANY FUTURE PURCHASES.
