Preschool Summer, Fun, & Learning

Dear Parents,

We have learned so much this year!

- Identifying letters
- Identifying some sounds
- Writing letters, names, and some words
- Nursery rhymes
- Rhyming words
- Identifying numbers
- Counting objects to 10
- Making patterns
- Identifying shapes
- Following directions
- Being a "pawsitive" friend
- Coloring, Cutting, Sharing, Hopping, Skipping ...and so much more!

School may be out for the summer, but there are still lots of opportunities for young children to play and learn! enclosed in this packet are activities that you can do with your child this summer to help review things your child has learned in school this year. Continue to review letters, numbers, counting, name writing, etc. so that your child will retain it during the summer months. You can also visit <https://www.naeyc.org/summer-learning-families> to check out more learning opportunities for you and your family. Don't forget to visit the Alfred H. Baumann Library for summer programs and storytime fun!

Thanks for a great year and have a wonderful summer!

Educationally yours,

Mrs. C
