

MBOS stands for the Member Benefits Online System.

For active employees, it is an online portal to access your pension account information as well as various applications like retirement, loans, and beneficiary designation.

Registering for MBOS

To access your pension information, you must first register an account.

To begin, go to www.nj.gov/treasury/pensions then click the “Access my MBOS Account” button.

Registering for MBOS

Then click the “Register” button.

Please note, if you have already registered for MBOS, you will not be able to register again. If you need assistance accessing your existing MBOS account, please see our MBOS Troubleshooting videos in our video gallery.

Further down on that page, you will be asked to create a security question you want to be asked in case you ever forget your logon credentials. Enter the question in the first field and your answer in the appropriate field below.

Your security question and answer should be something only you can answer like "What was the make of my first car?" or "Who was my favorite teacher?"

It is a good idea to refrain from using questions where the answer can change or can be easily answered by someone other than you. For example, "What is my favorite color?" or "What is the name of my pet?"

Lastly, enter your email address in each field then click the "Continue" button.

Added Security

After you have registered for MBOS and created your myNewJersey logon ID, you will be prompted to set up Multi-factor authentication, or MFA, in order increase the security of your account.

.....

MFA keeps your account more secure because you log in with two "factors": your login ID and password AND a unique code sent to you via text message or through an authenticator app. This code will be different each time you log in.

Please note that after you have registered for MBOS and created your myNewJersey logon ID, you will be prompted to set up Multi-factor authentication, or MFA, in order increase the security of your account.

MFA keeps your account more secure because you log in with two "factors": your ID and password, which are "something you know", and a unique code that's displayed on "something you have", such as a mobile phone, or the browser on your computer or tablet. The code will be different each time you log in, so it's called a one-time password or OTP.

You will establish your MFA either by registering an authenticator app or through text messages by registering your cell phone number.

Follow the prompts that will appear on the screen in order to set up your MFA.

Accessing MBOS

You will access your MBOS account from the Division's website.

Click the "Access my MBOS Account" button then click "Login."

Accessing MBOS

The image shows a screenshot of the myNewJersey login page. The header features the 'myNewJersey' logo with 'powered by njoli' underneath. The main heading is 'Log In to myNewJersey'. Below this, there are two input fields: 'Login ID:' and 'Password:'. A blue 'Log In' button is positioned below the password field. To the right of the login fields, there is a text block stating: 'If you need to register for Unemployment Benefits please go to myunemployment.nj.gov. Unemployment services are only accessed through that site.' Below this text, it says 'Otherwise, register for myNewJersey services here:' followed by a grey 'Sign Up' button. At the bottom of the login section, there are three links: 'Forgot your login ID?', 'Forgot your password?', and 'Need help?'.
