March 13, 2020

Hello Memorial Families,

In the event that the schools are mandated to close, please utilize the attached Choice Boards and supporting activity packets to continue educational learning at home. The directions for completing the instructional assignments are included in the packet.

**ALL information is also on our webpage at [www.wpschools.org](http://www.wpschools.org), under the Memorial School tab.**

Students who have access to computers should complete their work online. Students are aware of how to do this and can access Google Classroom from our webpage as well. Paper copies have been sent for everyone as well. (Only use if you are not doing the assignment online)

**When your child has completed an activity, please initial and date the activity box on the Choice Boards.**

Below are the required minimum number of assignments to be completed for each subject area:

Core Subjects:

- ELA: 1 activity per day
- Math: 1 activity per day
- Science: 1 activity per day
- Social Studies: 1 activity per day

Cycle Course:

- Music as an elective: 1 activity per week
- Art: 1 activity per week
- World Language: 1 activity per week
- Physical Education: 1-2 activities per week
- Health: 1 activity per week

Students who participate in BSI, ESL, Wilson Reading, and/or who have an IEP, will have supplemental activities and modifications included in their packets.

**Work being completed through Google Classroom should be submitted as it is completed.** All Choice Boards and supporting student work should be turned into the teacher once we return to school in the folder provided. **During normal school hours, teachers will be checking emails and Google Classroom. Please feel free to reach out to your child's teacher with any questions.**

We look forward to seeing all of the students upon our return to school!

Sincerely,

Mrs. Lisa Barreto, M.Ed.

Mr. Stephen Scholtz, M.Ed.
