

To Parents/Guardians:

The New Jersey Dental Association in conjunction with collaborating partners will be sponsoring the annual "Give Kids A Smile" (GKAS) Day for children. The goal of GKAS is to ensure access to quality dental care for children and to provide education on the lifelong benefits of good oral hygiene and dental care.

This one day event consists of volunteer dental professionals that perform a wide range of dental services for children **12 and under** at various locations throughout New Jersey. **The best part is that it is provided free!**

This year, GKAS will take place on **Friday, February 1 2019**. For further information, you may call the NJ GKAS toll free hotline number (888) 576-9278 or visit the NJ Dental Association website www.njda.org/gkas for sites and registration.

Katie Beatty
CO School Nurse
(973) 317-7734
kbeatty@wpschools.org

Lynn Roehrich
BG School Nurse
(973) 317-7744

Terri Carbonelli
Memorial School Nurse
(973) 317-7754
tcarbonelli@wpschools.org

****Please note that all children must make appointments at GKAS locations in order to be seen. Once made, these appointments are important to be kept as abandoned appointments keep other children in need from receiving dental services.**

NEW JERSEY PARTICIPATING ON FRIDAY FEBRUARY 1st, 2019

(All free visits are by appointment only. Call location(s) for exact addresses.)

For our local area (other locations can be found by visiting the above website.)
