

## 8<sup>th</sup> Grade Music Artist Research Project (PowerPoint version)

### Instructions:

Instead of filling out the research page, you may create a PowerPoint presentation that contains the same information. Your presentation should be at least 9 slides long, each covering one of the questions from the research project.

- **Title:** Title slide with artist's full name, date of birth, pictures
- **Top Songs:** List the artist's top 5 songs & year of release, pictures
- **Albums:** List the artist's albums & year of release, pictures of some of the albums
- **Backstory:** Pictures of artist before they were famous, describe their early life, interests, etc.
- **Inspiration:** List your artist's inspiration, include pictures of the bands that inspired them
- **How they became Famous:** How did your artist become famous? Describe the events that lead to your artist becoming famous, include pictures
- **Genre:** What genre is your artist's music considered? Does your artist bring anything new to the genre? Include pictures if similar artists.
- **Why do you like this artist?**
- **Works cited page** at the end – list all the websites you used for the project

Each slide is worth 3 points for content and effort.

Projects are due on the final day of the marking period, either emailed to Mr. Schaefer @ [eschaefer@wpschools.org](mailto:eschaefer@wpschools.org) or saved to the 8<sup>th</sup> Grade Music Artist Research Project folder on the S drive.
